MEMORANDUM FOR:

SUBJECT

: A Copy of Map Passed to GVN

1. Attached for your information and use is the map set given to Nguyen Phu Duc and to Doctor Kissinger on Saturday, 2 December, as explained in Paragraphs 3 and 11 of [redacted] sent "Eyes Only" to you on 4 December.

2. As you may recall, in our original friendly/enemy regimental disposition map, we set Quang Tri Province off to one side as a blow-up since there were so many regiments that the map would have been unacceptably cluttered had forces in Quang Tri been plotted on a base of the same scale as the other provinces. This map is run in the attached set as an overlay, without lines. The circles at the left side of the overlay are the original plots for the larger scale Quang Tri insert on the original map.
